PVI SYSTEMS, INC. EXPANDING TO NEW LOCATION

Niantic, CT USA. – October 31, 2007 – PVI Systems, Inc. will move its offices from 5 Freedom Way, Suite D3, Niantic, CT to 16 Liberty Way, Niantic, CT on November 8th, 2007. Please note that our offices will be shut down November 8th, 2007 through November 12th, 2007 to allow us to settle into our new location. Our phone, fax and billing PO address will remain the same.

The move stems from PVI Systems' unprecedented growth in the last year and will enable PVI to continue to keep pace with its growing list of customers worldwide.

PVI Systems, Inc is an engineering and product development company serving many industries including manufacturing, test and measurement, medical-bio-tech, quality control and pharmaceuticals. For more information, contact Harold Bourassa at 860-738-8044.
